DETAILED ACTION

Claims 1-20 are currently presented and have been examined.

Allowable Subject Matter

Claims 1-20 are allowed in view of the Applicant's statements and arguments made of record regarding the "view buffer" as recited in the claims and the specification and the cited prior art of record. The cited prior art does not teach or reasonably suggest converting a service request from one format to another format without the use of a view buffer which, along with the rest of the claimed limitations, are distinguished from the cited prior art of record.

Drawings

Applicant is reminded that in order to avoid an abandonment of this application, the drawings must be corrected in accordance with the instructions set forth in the paper mailed on 16 November 2005.

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to George C. Neurauter, Jr. whose telephone number is (571) 272-3918. The examiner can normally be reached on Monday through Friday from 9AM to 5:30PM Eastern.

Art Unit: 2143

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Wiley can be reached on (571) 272-3923. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
